

SUMMER TRAIL RIDE TRIP- The Biltmore Estate in Asheville, NC- June 12-16, 2010

Equestrian Center:

“Bring your own horse and explore more than 80 miles of estate trails—the same paths used by the Vanderbilts and their guests at the turn of the century. Enjoy wide, well-marked trails through pristine forests, green pastures, and along the banks of the French Broad River. Choose from five different 10–30 mile loops. Several trails include optional jumps and are suitable for carriages.”

There are 8 paddocks (which hold two horses each) which are fenced off with plenty of grass, on a flat area. Then you go up a relatively steep short hill to get to the 6 stall barn which is in a little pocket in the woods.

The accommodations- The Inn on Biltmore Estate

Double occupancy room rate for the total stay (Wednesday to Sunday) is approximately \$630.00 per person not including stabling costs. Included is a behind the scenes evening visit to the Biltmore House. We will have the mansion to ourselves with expert guides to show us around and give us all the Vanderbilt History. Another evening, we will enjoy a wine tasting at the amazing Biltmore Winery.

Other chances for FUN!:

Biltmore Gardens

Stroll acres of formal and informal gardens designed by America's foremost landscape architect, Frederick Law Olmsted. From the formal beauty of the Italian Garden to America's first managed forests, Biltmore's lush landscape is a living tribute to Olmsted's genius. Our experts continually work to preserve the original vision for the gardens and grounds, including our All America Rose Garden featuring more than 250 varieties of roses.”

Biltmore Winery

“Whether you're interested in tasting Biltmore wine for free, learning how wines are made, or just relaxing with some delicious food and wine in a beautiful setting during your estate visit, you must include our Winery on your itinerary.

Take a behind-the-scenes look at how wine is crafted with a self-guided tour. Then amble over to the tasting room where gracious wine hosts are happy to guide you through a complimentary wine tasting of our robust reds, refreshing rosés, and crisp whites. Even grape juice is available so everyone can enjoy the jovial experience.”

“If you even *think* you might be a foodie, be sure to drop into the Wine Shop with its hard-to-find wine accessories, gourmet foods, and a complete selection of Biltmore Wines. And, for the perfect finish to your Winery visit, settle in at the Wine Bar for a glass of vino and some tapas.”
